Welcome Message

Dear, Colleagues

On behalf of the Organizing Committee, it gives us great pleasure to invite you to Asian Pacific Association for the Study of the Liver Single Topic Conference (APASL STC), which will be held on May 11-13, 2018 in Yokohama, Japan. We are delighted to welcome you to the beautiful international city.

Under the theme of “HCC: Strategy in the New Era”, the conference program will present high-quality content based on up-to-date information and cutting edge lectures by eminent researchers, in order to reconfirm the achievement of better basic and clinical practice in the field of HCC.

The scientific program will consist of invited lectures, plenary sessions, symposia, and free papers on the theme of “HCC: Strategy in the New Era”. The program will also provide the latest information and fresh ideas for hepatologists.

The conference encourages the submission of abstracts on research for oral and poster presentations through the conference website: <http://www.apaslsc-hcc2018.org/>. We would appreciate your submission and anticipate a large number of entries, which will stimulate active discussions.

Approximately 1000 delegates of experts from all over the world are expected to attend this conference. We are sure that this will provide an excellent opportunity for those of us in the Asian Pacific region to share the latest views, values, experience and practice, and greatly contribute to this field. We look forward to welcoming you in Yokohama.

With warmest regards,

Shuichiro Shiina
