# WELCOME MESSAGE

Ever since its inception, in August 1978 in Singapore, APASL (Asian Pacific Association for the Study of the Liver) never looks back but stick to its goal towards advancing the science and practice of Hepatology. Today it is one of the leading associations based on investigation and treatment of liver diseases in the world and the largest scientific body that upholds the standards and profession, research and create improved treatment methods for millions of liver patients particularly in the entire Asia Pacific Region. APASL's main objectives are to promote the latest scientific advancement and education of hepatology science, exchange of information and the development of consensus, encourage the practice of medicine in liver diseases and also coordinate scientific studies between various scientists and clinicians throughout the region.

We hold scientific educational symposia/ conferences developed by leading hepatologists periodically. Our events feature expert speakers presenting the finest data in the most happening topics of liver diseases with high quality scientific technical presentations, followed by varied supporting program. Each of our events intended to meet the growing demands of hepatology as core medical specialty and offers participants the right platform to exchange research, discuss outcomes, and interact with colleagues, focused on liver diseases. Our members include all medical professionals dedicated to hepatology – its research, practice and care. We cover the region from Manchuria in the North, to Australia in the South, to the Pacific Islands in the East and Iran in the West.

Our members are elected on their documented scientific publications. Mentoring, sharing of knowledge and dedication to professional growth and development are among the core values of APASL and its members.

It is a great pleasure for us to invite you to the 29th Annual Conference Asian Pacific for The Study of Liver (APASL) 2020 that will be held that will be held 4 - 8th March 2020 in Bali Nusa Dua Convention Center (BNDCC) , Bali, Indonesia. The Conference program covering all aspects of hepatology, for that purpose this would be the perfect moment for all of us to join and share the experience, knowledges and also giving the benefits for the population in Asian Pacific Region.

We are looking forward for welcoming you in Bali.

Sincerely,

**Laurentius A. Lesmana**  
Honorary President

**Rino Alvani Gani**
